

Life Group Notes W/C 8th November 2009-11-08

This week we continued our series on "Foundations" based on Hebrews 6:1-2.

Our subject this week was the resurrection of the dead and so we focussed on 1 Corinthians 15:1-8 & 12-22

- Why was Paul so confident in the resurrection of Jesus?
- What reasons might we have to be confident about His resurrection?
- According to verses 12-19, what effect does Jesus' resurrection have on us?
- According to this passage, what do we need to be sure we will be raised?
- What are the implications of verse 19?
- How does your resurrection affect your life here and now?
- How should it?

Have a very blessed time
